1: Macdonald, Westwood & Westwood - Roanjora Cremant De Savoie Avec Eusanit JW (D) refined in head with good stop, good eye and ear set and moderate length of neck, body in proportion and depth of chest right for this age, ok rear assembly would have liked a little more width of thigh but has time on his side, moved out with an easy fluid stride.
2: Martin, Martin & Green - Rhoswendale Game Is On (D) – not as finished for the age as winner, well marked with clear patches of red, would have liked a little more length of rib, strong rear assembly, movement was ok.

Post Graduate - 3 /2
1: Gibson - Coolfin Aoife of Foreverknox (B) – stood alone, finer bitch, kind eye with gentle expression, balanced throughout with good depth of chest and length to body, hindquarters ok and once settled she moved out well with an easy stride.

Limit – 2/0
1: Macdonald's - Roanjora Crémant D'Alsace JW (B) - although carrying a smidgen too much weight for me this bitch couldn't be denied top honours, feminine and athletic in shape throughout, pretty head in good proportion to body, lovely coat of pearl white with red patches, strong though from neck to hindquarters creating a lovely profile, moved out true with reach and drive, well deserved BOB.

2: Skene - Rubethan Cake It Or Leave It SGWC (B) – finer in head, kind expressive eyes with doomed skull, well presented, not as well balanced in outline as winner, movement was a little erratic today.

Open – 3/1
1: Green's - Sh Ch Zendarric Heart Shaped Box With Viszaset (D) - masculine head with wells ears, muscular body with deep chest, well sprung ribs, nively marked with rich patches of red on pearly white, strong bone and good tail set, moved out with enthusiasm from well balanced and strong hindquarters RBOB

2: Taylor's Laoirebay Monte Carlo (D) – good head with well set ears creating a pleasing head profile, well ribbed back, strong in body through to hindquarters, wasn't giving of himself best today on the move.
